Steps to Flourishing

Positive Education Teacher Training

“Learn it! Live it! Teach it!” Martin Seligman 2012

Join us for a four day workshop to explore the science behind Positive Education, how it is being implemented in South Australia and around the world, and the research behind the science.

Participants will learn about the practical application of Positive Education in schools and leave with simple skills that can be implemented in the classroom and school to improve PERMA and support flourishing in life!
