

17 November 2020

Dear Parents/Caregivers

As you would be aware, South Australia has reinstated new COVID-19 restrictions starting on Tuesday, 17 November. These restrictions will have a significant impact on the end of year celebrations for our Year 12 students.

Its will regret that we need to make the following changes for our activities on Thursday, 19 November.

- Due to the closure of recreation centres/indoor play centres/amusement parks and arcades we are required to cancel our Year 12 Excursion to Zone Bowling.
- With the restrictions of 1 person every 4 square metres, we need to cancel our Year 12 Presentation Assembly.
- In its place, we will be conducting a **student only** Presentation Assembly starting at **7.00 pm on Thursday, 19 November**. This assembly will be live-streamed through Facebook. Could all students arrive at the Gym at 6.30 pm.

As a school, we are very sorry about these changes; however, we need to follow the state governments COVID-19 restrictions/requirements.

Regretfully,

Warren
