

MOUNT BARKER HIGH SCHOOL

Not for ourselves alone

LAPTOPS 2023

In 2023, Mount Barker High School will continue the partnership with Learning with Technologies (LWT) to offer a BYOD solution for parents and students. A few options at varying price points will be offered for purchase through a simple to use online portal.

With 36-month payment plans, ongoing support, and onsite servicing, we believe it will be a great way to supply/maintain the devices students need to excel in their studies.

If you want to purchase a laptop elsewhere or use an existing device please note the following minimum specifications to be connected to the Mount Barker High School network:

Operating System
Windows 10/11 (**Not
Windows S mode**)

Wi-fi 4 or above.
2.4 or 5 GHz

8GB of RAM and 120GB
storage

Dual-core minimum
(Quad-core preferred)

Battery life
minimum of 6 hours

MacBook's will have
limited support (OSX
10.14 Mojave or higher)

Additionally, please note the following:

- It is highly recommended that devices are covered through your own private insurance, including accidental damage if possible (speak to your insurance provider);
- The school is not responsible for theft or damage caused to a device;
- The school will provide access to Microsoft Office 365;
- Must be a laptop or tablet with a peripheral keyboard

***Android and Chrome Book devices are not supported**
