

School Values Matrix

Not for ourselves alone

	RESPECT	PERSEVERANCE	RESILIENCE	COMMUNITY
IN CLASS	• We are on time, prepared and ready to learn • We care for, share and use school equipment safely • We allow others to learn by minimising distractions	• We engage promptly with learning and embrace challenge • We always try our best • We meet assessment deadlines	• We have a growth mindset • We seek support when we are struggling • We focus on the things we can control	• We value everybody's right to learn • We give everyone the chance to share and be heard • We offer support and encouragement to others
DURING BREAKS	• We interact positively and safely • We remove ourselves from conflict and seek a member of staff • We keep our yard clean	• We work on building positive social connections • We take opportunities to develop new friendships and skills • We use positive strategies to overcome challenges	• We are active problem solvers in challenging social situations • We bounce back following hardship	• We greet and interact with others with kindness • We develop healthy relationships • We use facilities for their intended purpose
ALL THE TIME	• We follow school procedures • We use kind and supportive language • We value the property of others and our environment • We respect the identities of others	• We show a positive attitude towards learning • We seek support and feedback from others • We push through challenges and break up tasks into smaller parts • We try a new strategy if something is not working	• We develop healthy routines • We use wellbeing and resilience strategies • We seek support for ourselves and others when required • We acknowledge our own and others' efforts	• We are honest and take responsibility for our actions • We promote a safe, inclusive and welcoming community • We represent our school with pride • We include others when opportunities arise
