

## SCHOOL UNIFORM POLICY

***“Our students demonstrate respect for our school through wearing their school uniform”***

Students enrolling at Mount Barker High School are required to wear the school uniform, and we find that our students do so with pride. Wearing the uniform helps promote a positive school image, and with identification of the school community and ethos. Mount Barker High School is committed to our students' wellbeing, and we believe that all students have a right to access a range of uniform options. Supporting all students to wear the uniform options that are most comfortable for them assists in student wellbeing and engagement, which may be especially important for transgender and gender diverse students.

Our uniform is cost effective, durable, and convenient and is available in a range of options to suit all body types and student ages.

Wearing of uniform is essential for many reasons and these include:

- A positive school image and identification with the school
- A sense of pride and responsibility in belonging to this school
- A safe environment, as any strangers or visitors to the school can be easily identified
- A sense of equity, since students do not feel that they have to dress competitively
- A lower cost to families in the long term by providing economical, serviceable and safe clothing
- It is an expectation that all students will wear school uniform, except for religious and medical reasons.

Our uniform policy has been developed using a consultative process involving parents, Student Representative Council, Governing Council, students and staff.
