

STRATEGIC PLAN

2024 - 2026

We will work together to achieve our vision to inspire young people to live our school values of respect, perseverance, resilience and community, and become active citizens who flourish and achieve their full potential

5.1 Develop facilities and resources to suit growth and support the school vision

5.2 Design spaces for the curriculum of today and tomorrow

5.3 Cater to meet diverse needs across age groups and programs

5.4 Prioritise facility upgrades that align with a long-term development plan

5.5 Direct funding and resources strategically and sustainably to achieve the school's vision

4.1 Promote physical, emotional and psychological safety

4.2 Integrate proactive programs that include and support all learners

4.3 Celebrate diversity and build cultural identity

4.4 Use staff creatively to support, extend and enrich learning

4.5 Build partnerships to support learning and wellbeing

1.1 Build a respectful, supportive culture with shared vision and values

1.2 Strengthen belonging through the house system

1.3 Foster pride and positive engagement in the community

1.4 Empower staff and students to lead school improvement

1.5 Support wellbeing with evidence-based and trauma aware practices

2.1 Establish and uphold high expectations and accountability

2.2 Ensure all follow clear policies and procedures

2.3 Promote consistent growth in student engagement, achievement and wellbeing

2.4 Strengthen staff and student engagement through partnerships

2.5 Build a connected school community where staff, students and parents are invested and proud to contribute

3.1 Use high-impact and developmentally appropriate teaching and technologies

3.2 Differentiate learning to meet the needs of individual learners

3.3 Use reflection, feedback and professional learning to inform teaching

3.4 Make sure curriculum is engaging, challenging and relevant

3.5 Align curriculum with future pathways in work, training and education
